Town Warrant

[L. s.] THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Kingston, in the County of Rockingham, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Kingston, on Tuesday, the fourteenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation of the same.

3. To elect three trustees to serve as trustees of the Public Funds, one for one year, one for two years, and one for three years, and to pass any vote relating thereto.

4. To see how much money the town will raise and appropriate for the construction and repair of highways.

5. To see if the town will vote to sell the Annie J. Smith gravel bank and pass any vote relating thereto.

6. To see how much money the town will raise and appropriate for the support of the Library.

7. To see how much money the town will raise and appropriate for Memorial Day.

8. On petition of John G. French and twelve others to see if the town will raise and appropriate money to establish street lights in West Kingston and pass any vote relating thereto.

9. To see how much money the town will raise and appropriate for street lighting.

10. To see if the town will raise and appropriate the sum of one hundred dollars for the Kingston Band, for a series of concerts next summer.

11. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 26th day of February, in the year of our Lord, nineteen hundred and sixteen.

GEORGE M. BAKIE,
ALBION W. NASON,
EDWARD KIMBALL,

Selectmen of Kingston.

A true copy of Warrant. Attest:

GEORGE M. BAKIE,

Report of Music Committee

When the question of band concerts came up a few years ago, the members of the band residing in the town offered to give their services if the townspeople would raise money to pay the other members of the band, who reside outside of the town. This arrangement enables the people in the community to enjoy a series of concerts each season at a small expense per concert, and it has been very gratifying to the band to have their efforts so well appreciated.

Report of Board of Health

During the past year the law, passed by the legislature of 1915, requiring the appointment by the State Board of Health of a health officer in each town, who with the selectmen should form the local board of health, became operative.

The health officer is the secretary and executive officer of the local board, holds office for three years and is only removable by action of the State Board for cause and after due hearing.

This law gives the local health officer sufficient and needed power and will prevent friction and hindrances possible under the former law. The law is mandatory and directs that the local officer shall enforce the public health laws and regulations, and make such sanitary investigations as may be directed by the local board or required by the State board.

During the past year, as in 1914, we had to contend with considerable scarlet fever, but it seems to have been at last stamped out.

Too much care cannot be taken to prevent exposure to or spreading contagious or infectious diseases. Attention is called to the law regarding vaccination of all children in the schools, both public and private.

The law forbids the use of drinking cups in common, also the use of common towels in schools or other public buildings and places.

We also remind you of the filthiness and danger of the common house fly. Destroy his breeding places by covering sink drains, manure heaps and other decaying material, keep doors and windows screened and food covered.

HENRY L. SWEENEY,

Health Officer, for Board of Health.

Nichols Memorial Library

REPORT OF THE TRUSTEES

Beyond the report of the Librarian there is little that needs to be said about this feature of our town. It does its work quietly and makes little stir, but it is, beyond question, one of our great assets. The Library is especially well equipped with periodical literature, thanks to the generosity and foresight of Mr. Nichols. The number of monthly magazines is 19, of weeklies, 9. Comparing the Librarian's report with that of a year ago it will be seen that the average number of books taken out each week and so the circulation has increased.

We may note with some satisfaction the absence of disorder and of petty vandalism that is such an annoyance in some libraries and which makes it necessary to reduce the privileges of all because of the follies of a few.

The placing of books, especially new ones, in the main room, accessible to all, has proved so worth while that it is planned to add another case and so bring more of the books within sight and reach.

The condition of our treasury we consider very satisfactory. While the balance on hand is considerable, we have spent practically all of the year's income, and the balance is very convenient for the purchase of magazines and other things before the funds from the town treasury are available. We recommend, and solicit, the usual appropriation of one hundred dollars.

FRANK W. WHIPPEN,
Z. WILLIS KEMP,
HENRY L. SWEENY,

Trustees of Nichols Memorial Library.

Report of School Board

In looking over the work of the past year we find it especially satisfactory. We have been very fortunate in securing efficient teachers and our grading has been carefully carried out. It is evident by the great increase of visitors that renewed interest is felt among the parents and friends. This is as it should be, as the best results can be obtained only by the co-operation of parents and teachers.

To our text-books we have added Hicks' Champion Speller and now have two-part music books. Next year more supplementary reading, of which we cannot have too much, will be needed.

We hope that we may be able to have once more a supervisor of music, as in no other way can the work so successfully begun be carried out. If this is not continued what was learned will be in a great degree lost to the children.

At our last meeting we voted to raise \$200 for repairs, part of which was used to shingle the schoolhouses at No. I and No. IV. Two coats of white-wash were put in all the out buildings and at No. IV many repairs which had been needed for a long time were made.

In West Kingston a week was added to the fall term to make up some of the time lost in the spring on account of the prevalence of scarlet fever.

As a result of criticism as to the distance some of the children have to come to attend school, it is suggested that schools 2 and 3 be centralized in the Town Hall Building. In this case there would also be considerable saving financially, and it is hoped that the matter may receive the consideration of all voters.

In looking over the registers we find only one pupil, Robert D. Kemp, whose attendance was perfect for the three terms.

The tax by law for the coming year is \$1,102.50 and there will be needed for High School tuition, \$1,100.00, for books and supplies \$150.00 and for flags and appurtenances, \$10.00.
